

COMMITTEE IS NAMED TO CARRY ON NATIONAL REPUBLICAN CAMPAIGN

Management Entrusted to an Executive Body of Twenty-One, Including Seven Women Headed by Chairman Hays—Suffrage Committee Calls on Harding.

WASHINGTON, June 22.—Management of the national Republican campaign was entrusted today to an executive committee of 21, headed by Chairman Hays of the national committee. Seven women were named.

Announcement of the membership, together with the composition of two committees to arrange for the notification of Senator Harding, presidential nominee, and of Governor Coolidge, vice-presidential candidate, ended a two days' conference in which Mr. Harding, Chairman Hays and a sub-committee participated.

While the sub-committee was concluding its conferences, Senator Harding received suffragists and in reply to their request for a statement of his position declared that while he could not with propriety attempt to force any state to hasten action on the suffrage amendment, he would recommend ratification should any state officially seek his opinion.

The suffragists, numbering 26 from 21 states, thru their spokesman, Miss Alice Paul, chairman of the national woman's party, declared that while they would support to a third party unless ratification of the suffrage amendment was completed by the Republican state legislature, Miss Paul, in a statement tonight, said her delegation was deeply disappointed with Senator Harding's position.

In the appointment of the executive committee, the sub-committee did not confine membership to the national organization and took in Harry M. Daugherty of Ohio, Senator Harding's pre-convention campaign manager. The appointments, as announced, included only 20 names, but Mr. Hays said the additional member who also would not be a member of the national committee was announced as soon as possible.

The party leaders also disregarded precedent in naming seven women as members and in choosing a woman, Mrs. Harriet Taylor Upton, of Ohio, vice-chairman. This action was taken, it was said, in recognition of the increasing activity of women in politics. Senator Ben Penrose, national committeeman from Pennsylvania, and the following are other members:

Other Members
John T. Adams, national committeeman from Iowa; Clarence Miller of Minnesota, secretary of the national committee; Fred W. Upham, of Illinois, treasurer of the national committee; Mrs. Katherine Phillips Edson, California; Mrs. Manley L. Folsom, Minnesota; Jake L. Hamon, national committeeman from Oklahoma; John W. Hart, national committeeman from Idaho; A. T. Hert, national committeeman from Kentucky; Charles D. Hilles, national committeeman from New York; R. B. Howell, national committeeman from Nebraska; Mrs. Jeanette A. Hyde, Utah; Mrs. Arthur C. Livemore, New York; Mrs. Corinne Roosevelt Robinson, New York; Mrs. Christine Bradley South, Kentucky; former Senator John W. Weeks' national committeeman from Massachusetts; and R. E. Williams, national committeeman from Oregon.

One member, Chairman Hays said, remains to be appointed.

Mrs. South also has been chosen assistant secretary of the national committee.

Mrs. South was also appointed assistant secretary of the national committee, an office created by the Chicago convention.

Senator Harding and Chairman Hays each issued statements, the former praising the organization work accomplished and the latter declaring a complete amalgamation of party groups had been brought about in the appointment of the committee.

Harding's Statement
Senator Harding made this statement:

"I cordially approve of the executive organization as worked out by Chairman Hays and the sub-committee of the national committee. I want to express appreciation of the organization heretofore made, and my gratitude to the many interested Republicans who constitute it and who have been working for two years to restore a Republican administration. It will be noted that we are calling all Republicans to the colors and the good faith of the program will be emphasized as the personnel of other important committees are announced."

"The conferences have been most successful," says Mr. Hays. "The great party of the Union is most certainly a unit. The executive committee and other committees to be appointed will

HOME RULE FOR ALL DOWNSTATE UTILITIES ADOPTED BY CON CON

Report Same as Embodied In Findings of Cook County Commission

SPRINGFIELD, Ill., June 22.—Home rule of utilities in the downstate, as embodied in the findings of the Cook county commission on utilities and home rule was adopted by the constitutional convention this afternoon. The report, as adopted, was as follows:

"No law shall be passed by the general assembly giving the right to construct or operate any public utility within any city, village, or incorporated town, requiring the adoption of streets, alleys or public ways by permanent fixture or equipment without the consent of the corporate authorities."

"The power of cities, villages and incorporated towns to own, acquire, construct, operate or lease for operation public utilities or sell the product or service thereof, or fix the rates therefor, shall not be denied by law."

"Any contract which any city or town may make concerning rates or service of any public utility corporation, shall for a term not exceeding twenty years (unless a longer term be permitted by law) be enforceable."

"The revenue committee considered a report, providing that the general assembly shall provide for the levy of taxes upon property by valuation so that every person and corporation shall pay a tax in proportion to the value of his or its property. A vote on this, and on the income tax provision of the same session, was adopted by a vote of 5 to 3."

At a session of the committee on bill of rights, a section providing that the Bible be read in public schools, was adopted by a vote of 5 to 3.

GREAT NEED IN STATE FOR PHARMACISTS

ROCKFORD, Ill., June 22.—An acute shortage of registered pharmacists in the state was declared at the opening session of the 41st annual convention of the Illinois Pharmaceutical Association here today. The University of Illinois was requested to take immediate steps to increase three-fold the facilities of the Illinois College of Pharmacy, Chicago, the only school of its character in the state.

President J. C. Wheatcroft of Chicago, in his keynote address, advocated legislation to control the peddling of drugs and proposed a measure whereby every registered pharmacist would become a member of the state association. A reclassification of drug stores into prescription and commercial, with distinctive regulations was proposed.

The report of Secretary W. B. Day, Chicago, showed a membership of 1500 out of 6,000 registered druggists and 3,000 drug stores in the state. About 500 are registered at the convention which closes Thursday afternoon.

An emergency ordinance providing for a special committee to take charge of the situation and condemn any building found unsafe, was adopted by the Ingleside city council.

It was stated that the damage at Ingleside probably would exceed \$100,000. Losses in Los Angeles and other points were estimated at \$25,000. Slight shocks were felt at 5 a. m. and 12:35 p. m. today, no damage being reported.

When street car traffic here was halted for half an hour, beginning about 10:30 a. m., officials of the company stated they had word that the delay was due to a shock which temporarily crippled a power plant at Huntington Lake, seventy miles east of Fresno. Late today the officials said they had another breakdown, but that the plant had a slight breakdown, but not due to an earthquake.

CLAIM PALMER
LEADING CANDIDATE
CHICAGO, June 22.—Attorney General Palmer, who was among Democratic leaders that passed thru Chicago today en route to the National Convention at San Francisco, declared there was "no discussion in the Democratic party and none is expected. All is harmony."

Warren VanDyke, of Harrisburg, secretary of the Pennsylvania state also on the train, said Mr. Palmer would enter the convention the strongest of all the candidates. He said Palmer would have 400 votes on the first roll call.

Tom Taggart, chairman of the Indiana delegation, also was in Chicago today. He expressed the opinion that the "wet and dry" question is no longer a political issue, but is simply a question of law."

TURKS CAPTURE
ROCKFORD MISSIONARY
CHICAGO, June 22.—A special cable from Constantinople, received by the Chicago Times, tonight, said:

"Mrs. Paul Nilson of Rockford, Ill., missionary at Tarsus, has been captured by the Turks, a message from Mersine states. Americans in Konia say the Turks are posting placards urging massacres of Armenians. The plotters assert the Armenians are killing the Turks in other places. The British have made provisions at Cyprus to receive 3,000 American relief orphans from Mersine."

TRAVEL BY AIRPLANE
CHICAGO, June 22.—An all-metal monoplane, flying from New York to Omaha, where the passengers will attend a wedding, left Chicago at 9:32 this morning on the last leg of the trip.

John M. Larson, the owner, expects to land at Omaha shortly after noon. The passengers include Mrs. Larsen, Major L. B. Lent, of the aerial mail service, Bert Acosta, pilot, and Wallie Bugh, mechanic.

STRIKE ENDED.
St. Louis, Mo., June 22.—A five weeks' strike of boilermakers in fourteen plants was ended today employers granting demands for a "closed shop," and fifteen per cent wage increase. Loyer out will receive \$1 an hour, boilermakers 90 cents and helpers 70 cents.

Condensed Telegraphic News

(By The Associated Press)

Creston, Ia., June 22.—P. S. Junkin, editor and publisher of the Advertiser-Gazette here, one of the oldest Republican newspapers in Iowa, today sold his interest to Dewey Sowers, business manager, and W. A. Roseberry, head of the mechanical department.

Portland, Me., June 22.—Nomination of Frederick H. Pankhurst of Bangor for governor on the Republican ticket at yesterday's primary was assured with completion tonight of a tabulation of revised returns from the state except 32 small towns.

Titusville, Pa., June 22.—A United States mail airplane, en route from Bellefonte, Pa., to Cleveland, was wrecked eight miles east of here today. The aviator was slightly injured.

Doom, Holland, June 22.—Announcement is made that the former German empress' condition is not immediately serious.

Mexico City, June 22.—Yellow fever is believed to have broken out in Vera Cruz, where numerous cases of bubonic plague were reported recently, the newspaper dispatches say.

Baltimore, Md., June 22.—Isaiah Fountain, negro fugitive who twice escaped from the Easton, Md., jail, after being sentenced to death, was recaptured today 14 miles north of Easton. Arming themselves, neighbors seized the negro and turned him over to the authorities.

Dublin, June 22.—A police bicycle patrol of four was ambushed today near Bantry. One constable was killed, a sergeant was shot in the head and another constable was shot in the body.

CITIZENS START REBUILDING TOWN DAMAGED BY QUAKE

Entire Population of California Village Numbering 3,000 Take Part

LOS ANGELES, Cal., June 22.—Work of rebuilding the business section of Inglewood, ten miles southwest, which suffered most from earthquakes in Los Angeles county last night, was well under way today, practically the entire population of 3,000 taking part.

An emergency ordinance providing for a special committee to take charge of the situation and condemn any building found unsafe, was adopted by the Ingleside city council.

It was stated that the damage at Ingleside probably would exceed \$100,000. Losses in Los Angeles and other points were estimated at \$25,000. Slight shocks were felt at 5 a. m. and 12:35 p. m. today, no damage being reported.

When street car traffic here was halted for half an hour, beginning about 10:30 a. m., officials of the company stated they had word that the delay was due to a shock which temporarily crippled a power plant at Huntington Lake, seventy miles east of Fresno. Late today the officials said they had another breakdown, but that the plant had a slight breakdown, but not due to an earthquake.

BALTIMORE YARDMEN DEFY THEIR CHIEFS

BALTIMORE, Md., June 22.—In spite of the orders of the brotherhood chiefs, threats of loss of priority and warnings from railroad officials setting time limits for return to work under pain of dismissal, nearly 500 yardmen remained out here tonight, according to leaders of the men. They asserted about 350 Baltimore & Ohio employees and 150 employees of the Pennsylvania were on strike and declared not more than 30 per cent of the normal forces worked today.

THINK RIOT DANGER OVER.
Chicago, June 22.—Confident that all danger of rioting had passed, Chief of Police Garrity tonight ordered withdrawal of extra police from the south side "black belt," where two white men were killed Sunday night. Eight persons, including a woman, were held by the police. Funeral services for R. L. Rose, a sailor, one of the victims were held today at great Lakes. R. J. Jones, was released after he had convinced the police he had no part in the disorder.

RETURN INCOME TAXES.
Jefferson City, Mo., June 22.—State Auditor Hackman in a letter today, advised county collectors to return part of state income taxes collected that accrued from January 1, 1919, to August 7, last, as a result of a recent decision of the Missouri supreme court. The refund, it was estimated, will approximate \$1,844,800, or about forty per cent of the total collected.

THIRD PARTY MEETING.
Lincoln, Neb., June 22.—Senator Hiram Johnson, Senator Robert M. La Follette and William Jennings Bryan were endorsed as third party candidates at a meeting of Nebraska members of the committee of 48 called to name delegates to the Chicago convention July 10. More than 30 delegates were selected.

PREDICTS G. O. P. SUCCESS.
New York, June 22.—Predicting a Republican victory and the election of Senator Harding whom he compared to former Presidents McKinley and Hays, Myron T. Herrick, former ambassador to France, said for Paris today to attend the convention of the International Chamber of Commerce.

TOLEDO, O., June 22.—The government today began suit in federal court against 15 Sandusky defendants for \$30,179.83, which it charges is due as taxes on 44 drums of alcohol alleged to have been stolen by them from a railroad car at Edlin, last Friday.

NEW YORK, June 22.—The government today began suit in federal court against 15 Sandusky defendants for \$30,179.83, which it charges is due as taxes on 44 drums of alcohol alleged to have been stolen by them from a railroad car at Edlin, last Friday.

WORLD JURISTS DO NOT FAVOR ABOLISHING THE HAGUE TRIBUNAL

Tribunal Will Have Considerable Part in Selecting High Court Judges

THE HAGUE, June 22.—(By The Associated Press.)—Discussions of the commission of jurists today strengthened the theory that The Hague arbitration tribunal will not be abolished if a high court of nations is formed but that the tribunal will have a considerable part in selecting high court judges.

Members of the commission too under consideration today the possibility of dovetailing the Root-Phillimore plan with that proposed by Baron Descamps, for which a method was suggested by Mr. Root.

The efforts of the jurists working on the draft plan of the court of nations are entirely unaffected by politics delegates have been subjected to the usual letters from organizations seeking to force national aspirations into the line. The other day some of the jurists received a letter from an organization seeking the independence of Scotland.

All these letters, of course, are laid aside.

Elihu Root and others are optimistic of the result, not immediately but in the future.

It is pointed out that the high court's task will be to try cases strictly according to the laws of nations. This leaves the field still open for arbitration in cases where it is not a question of laws, but one of disputes.

SUSPEND GAS RATE HEARINGS

SPRINGFIELD, Ill., June 22.—Advanced telephone rate in fifteen cities and towns in Illinois, will go into effect July 1, according to a ruling of the State Public Utilities commission today. These rates were originally granted to take effect August 22, but by today's order are effective two months sooner.

Towns and communities affected are, Kankakee, Grant Park, Rock Island, Moline, East Moline, Okawka, Rockford, Mattoon, Champaign, Hoopeston, Ashmore, Manteno, Herscher, and St. Anne.

Advanced gas rates previously authorized for Cairo, Clinton, Galesburg and Jacksonville, were ordered suspended until November 1. Advanced water rates in Champaign and Urbana were suspended until Nov. 7.

GIRL PREVENTS BANK ROBBERY

MOBILE, Ill., June 22.—Ted Belmont, 35, colored, an ex-convict, walked into the People's Savings bank shortly after noon today on a spouting a revolver at Miss Claribel Vander Vennett, a teller, ordered her to hand over the money.

Miss Vennett recovering her presence of mind said, "Do you want it all or half of it?" and as she did so she stepped on the burglar's arm and then fainting. The men in the bank made a rush for the negro, who ran from the bank. The police responded promptly to the alarm and two of them leading the men from the bank chased Belmont two blocks through the business district. One of the policemen fired at the negro wounding him twice.

PERKINS LEAVES LARGE ESTATE

NEW YORK, June 22.—George W. Perkins, philanthropist and financier, who died Friday at Stamford, Conn., left the bulk of his estate to his widow and two children, according to his will filed today. The exact amount was not given, but the value was placed "in excess of \$1,000,000."

Miss Mary Kimm, his secretary, for more than 27 years, received a bequest of \$50,000 together with a \$5,000 annuity for the remainder of her life. Every other person who was in his employ for a year or more was bequeathed \$100 for each year of service.

RAIL STRIKE IN DUBLIN EXPECTED

Dublin, June 22.—Altho some great southern men have been dismissed for refusing to drive trains in presence of their anti-munitions policy, it is expected a strike will not follow. The policy of the men seems to be to avoid a strike which they say the premier is playing for.

If there is to be a wholesale stoppage of traffic they prefer it should be a lockout.

LOWDEN RETURNS TO CAPITOL

Chicago, June 22.—Governor Lowden, who attended a conference of Illinois Republicans here yesterday, departed tonight for Springfield. A statement on his political plans may be made there later in the week.

NEGOTIATIONS UNDERWAY

London, June 22.—Semi-official announcement was made today that no crisis exists in the negotiations which Premier Lloyd George is conducting with Leonid Krassin, Russian Bolshevik minister of trade and commerce.

OPEN EDWARDS HEADQUARTERS

San Francisco, June 22.—Headquarters were opened here yesterday for Governor Edward Edwards. A statement on his political plans may be made there later in the week.

BURLESON DECLARES FOR MODIFICATION OF DRY ENFORCEMENT ACT

Statement by Postmaster General Regarding Democratic Platform Causes Much Comment Among Leaders—Cummings in Reply to McCombs Statement.

SAN FRANCISCO, June 22.—Postmaster Gen. Burleson's statement tonight at San Antonio regarding Democratic platform issues drew attention among party leaders here for the national convention because of its frank declaration for modification of the Volstead prohibition enforcement act.

His demand for repeal of "drastic and absurd" provisions of the act expressed in more direct fashion views which some party leaders here have voiced privately.

Coming from a member of the cabinet, the statement was regarded as a possible intimation of the administration's attitude on the prohibition issue. Senator Glass of Virginia, due tomorrow, is understood to have been entrusted with a formal expression of President Wilson's platform views. On other occasions however, the postmaster general has been the direct spokesman, and Democrats were inclined to take his expression as more than a statement of his own views.

Preliminary convention discussion has shown a striking unanimity of opinion on two points. The first is that the platform for the struggle will be the real fight of the convention, the second that the prohibition plank will be the chief issue, outbalancing the league of nations declaration in interest among the delegates.

In the league issue, William Jennings Bryan is directly opposed to President Wilson's views. That dates back to the Jackson Day dinner when Mr. Wilson urged that the Democrats enter the campaign on the issue of ratification of the league without material reservation. Mr. Bryan stood just as strongly for acceptance of the Republican senate reservations as a basis for ratification to keep the covenant out of the campaign. If Mr. Burleson's statement is to be accepted as representing the president's views on prohibition delegates said, it was evident Bryan and the administration forces were to clash also over that plank. There is also, it was said, a third point on which the president and Mr. Bryan might lock horns. It was recalled that when the president asked congress for authority to accept a mandate over Armenia Mr. Bryan issued a statement in flat opposition. It has been regarded as possible that the president might ask the convention to endorse his course as to Armenia.

Pending arrival of Senator Glass, Mr. Burleson and Mr. Bryan, the few party leaders and delegates here have been exchanging only gossip comment. There have been no conferences. Democratic convention must come out openly and declare "our real feeling and belief on prohibition, government ownership, labor questions, soldier bonuses and most important of all the covenant of the league of nations."

He declared he would vote for "repeal of the drastic and absurd provisions of the Volstead act, if

both Democrats and Republicans apparently had overlooked the Panama canal zone in calls for the national convention Mr. Cummings made today.

Application for the seating of two delegates will be passed on by the national committee he added.

"No man will get anything here by subjecting the president either to open attack or sneering reference," said E. H. Moore, manager of the campaign of Governor Cox, of Ohio, for the Democratic presidential nomination in a statement today replying to Mr. McCombs.

The surest method of having the Democratic platform make the league of nations the leading issue is for its enemies to attack the president," he said. "President Wilson had not only the admiration of the Democratic party but its entire sympathy in his efforts to advance the cause of humanity."

Headquarters for John W. Davis, of West Virginia, were opened today and first literature for candidates was put out. Some work for Governor Edwards of New Jersey also was done, supplementing that for Attorney General Palmer.

HANNIBAL YARDMEN QUIT THEIR JOBS

HANNIBAL, Mo., June 22.—Switchmen working on the second shift in the yards of the Chicago, Burlington & Quincy railroad here refused to report for duty today, announced that they would take a "vacation" until the railroad labor board acted on their wage demands. About 25 men were affected. The yard force here numbers approximately 75 men and officially say they will be unable to ascertain the strength of the movement until tomorrow when the first shift is to report. Officials are working in the yards and keeping passenger trains moving but freight traffic they say is at a standstill.

MISSOURI DELEGATES LEAVE FOR COAST

Kansas City, Mo., June 22.—A special train carrying Missouri delegates and alternates to the Democratic national convention left today for San Francisco.

Among those on board are David R. Francis, former United States ambassador to Russia and Judge Rosenberger, who will place Champ Clark in nomination for the presidency.

NEW ARMORY FOR DANVILLE

Springfield, Ill., June 22.—Approval of the state's title to the site for the new Danville armory was given by the Attorney General's office today. Erection of the armory for which appropriation was made by the last legislature, has been held up by an alleged defect in title. With the approval of the attorney general's office, erection of the buildings will be started about July 1.

WEATHER INDICATIONS AND TEMPERATURES

Illinois—General fair Wednesday and probably Thursday, not much change in temperature.

TEMPERATURES
The current, maximum and minimum temperatures as recorded Tuesday, were:

WILL GIVE REAL BENEFIT.

Knights of Columbus in their peace time program have expended since last September \$5,000,000 for educational work among ex-service men. Money

could not be spent for ex-soldiers in a more beneficial way.

MR. MADDO STRENGTHENS HIS POSITION.

Perhaps Mr. McAdoo when declaring that he is not a candidate and unwilling to accept the Democratic nomination is the wisest politician of them all. It sometimes happens that the man who shows reluctance to hold office creates a demand for his services that did not previously exist and make his friends and admirers the more insistent.

LOCAL CHAUTAUQUA PROSPERS.

While the directors of the Chautauqua association of Jacksonville have prepared for a greater assembly in 1920 than ever before, in Bloomington announcement has been made that there will be no Chautauqua this year.

The 1919 season was finished with a deficit and only \$80 per cent were willing to make

pledges for this year. Evidently they haven't the interest at Bloomington shown here, nor the same kind of management.

THEY WILL BEAR WATCHING.

A newspaper correspondent in Germany indicates that a very large percentage of the 100,000 troops Germany may maintain as a standing army under the Versailles treaty will be officers. This looks like a smooth way to keep in training a great force of men versed in leadership and in the tactics of war.

Despite the Versailles understanding and the League of nations program, together with their protestations, the German leaders will bear watching from the rest of the world.

MR. MCCOMB CHANGES HIS ALLEGIANCE.

William F. McComb, who successfully piloted President Wilson's campaign in 1916, declares that the president's assumption of leadership is autocratic. Mr. McComb very strongly resents the inference of the president's statement that America is pledged to the League of nations program just as the president outlined it. These are only two vital points on which Mr. McComb differs from Mr. Wilson, and the former national committee chair will no doubt be heard from at San Francisco next week.

HIGH SCHOOL GROWTH.

The wonderful growth of High schools is shown by the recent report of the Russell Sage foundation, quoted recently in the Alton Telegraph. There are now 2,000,000 High school pupils in this country. Back in 1870, there were but 19,000.

The American people should never be satisfied until every boy and girl has at least the equivalent of a High school education. Those who have little ability for books, should do an equal amount of work fitting them for a high grade of skill in technical and mechanical lines.

The weak point in the system, is that the proportion of girls, is much larger than of boys. High wages paid to men factory workers tempt too many boys to quit school, while their sisters keep on for a year or two longer.

"SITTING TIGHT" ON THE WOOL MARKET.

Farmers everywhere are being urged by the leaders of their or-

ganizations to "sit tight" on the wool market. In other words, men active in agricultural leadership believe that wool prices now are lower than they will be later on, especially if there is concerted action to withhold wool from the market. If all producers of essential things follow this same policy of "sitting tight" because market prices do not satisfy them, there is not much prospect of an immediate lower price of living costs.

In fact, government figures for the past months show a considerable increase in living costs, at least as far as related to food products. Evidently both the great political parties are going to have the opportunity for applying the proper remedy to this big problem of living costs.

WOMEN AS DEMOCRATIC PEACE WORKERS.

Think of it—there is a possibility that the good offices of Women will aid the Democratic national convention to come to peace terms over the wet and dry planks and some other vexatious questions. Some of the women are urging a middle course and would have the 18th amendment and the Volstead act upheld, that there is no reason in the world why the Democratic party should take any chance by declaring itself on this question.

The women say that the question has already been settled, and there is a lot of logic in their position. But think—women in the role of leadership of a national Democratic convention! It would be just as well to dig up the record in its relation to equal suffrage.

THE CANADIAN ATTEMPT AT INDUSTRIAL PEACE.

The industrial condition act is the name of a piece of legislation adopted in Canada with the hope of at least lessening the number of strikes. The idea is somewhat similar to the Kansas industrial court but evidently has not aroused the labor opposition that has been hurled against the Kansas plan.

Under the condition act employers have two members of a general board, labor two members and the government elects a fifth man to represent the public. One of labor's representatives recently made the following statement, which is full of reason and logic and gives the hope that the experiment in Canada may bring satisfactory results:

"We believe in unions which honor contracts. The sacredness of contract is the basis of all promises. A country, or a state or even a municipality usually has as good a government as it deserves. The joint council of industry is really formed to give the people a better understanding of each other. We do not anticipate a recurrence of our strike last spring, because we feel that as soon as there is danger of trouble we shall nip it in the bud. The whole idea is that this thru a gathering of knowledge we shall keep the public informed thru the press of all that is happening. Thereby no group of people can make an unfair strike possible. We hope to remove the clouds as they gather."

Rippling Rhymes By Walt Mason

HOME BREW.

I made a keg of home brewed ale, with raisins, yeast and water, and now I'm in the county jail, where reason's prone to totter. I made five gallons of the truck to show that I could do it; I drank three quarts and ran amuck, and there I am, beshrew it! My head is out of shape on top, my brow is swelled and hilly, for there the outraged village cop assailed me with his billy. When I get out, some 5 years hence (this fact I put some stress on), I'll try to brew no Old Stone Fence—I will have learned my lesson. It does not pay to fool the law, in measure small or greater, for punishment is all you draw—it gets you soon or later. A lot of laws gives me a pain. I'm tempted to defy them; but in the hours when I am sane I guide my footsteps by them. We cannot pick and choose the laws that we'll observe and cherish; we can't approve one with our jaws, and say the next must perish. We have to take them as they come, and not behave like quitters, and if we find that some are hum, we bravely take our bitters. The law's against all forms of booze, and when any stretch is ended, I will compound no home made brews of yeast and raising blended.

Auto Painting, new tops, put on, plate glass and celluloid in curtains, by Walter Hellenenthal, at Rexroat & Deppe.

IN NEW POSITION

Charles Fitch is now the manager of the Co-Operative Grocery Co. store on South Main street. Mr. Fitch has for many years been in the store of his brother, Mr. R. Fitch, and is a man with long experience in the business. He will no doubt be a very capable and efficient manager for the Co-Operative Co.

NOTICE

The American Garden will open Friday, June 25. The rain Tuesday has made this postponement necessary.

Mr. and Mrs. J. A. Keithan of Sunbury, Pa., are visiting at the home of Dr. and Mrs. J. M. Wolfe on West College avenue. Mr. Keithan and Mrs. Wolfe are cousins.

NOTICE

The American Garden will open Friday, June 25. The rain Tuesday has made this postponement necessary.

VISITED FRIENDS IN PIKE COUNTY TOWN

Springfield Residents Were Recent Guests of Mrs. Anna Schroeder—Sam Dickerson Returns to Home in St. Louis—Other Griggsville News.

Griggsville, June 22.—Mrs. M. W. Parsons and two daughters, Mrs. Anna Dexter and Miss Emma Parsons were recently the guests of Mrs. Anna Schroeder and Mr. and Mrs. A. W. Butterfield. Mrs. Parsons and Mrs. Dexter are residents of Springfield, Ill., but Miss Parsons is from Jackson, Mich., where she is general secretary for the Y. W. C. A.

Mr. and Mrs. Haynes Carnos and family, Mr. and Mrs. E. C. Koontz and family were recent guests of Mr. and Mrs. Frank Rustone.

J. W. Lemley and daughter, Cora of Quincy, spent the week with J. H. Srycle and family.

A. W. Butterfield attended the State Sunday School convention in Jacksonville last week.

Thomas Ball was in Quincy last week.

Misses Irma Sargent, Celia Warton, Grace Skinner and Ruth Clark all attended the Sunday school convention in Jacksonville.

William Hanner went to Pittsfield Tuesday morning to visit his brother, Benjamin Hanner and family.

Mr. and Mrs. Alfred motored to Versailles last week and visited with Mr. and Mrs. Merle Kleinfelter.

Fred Grate, son of Mr. and Mrs. George Grate returned home from Macomb where he has been attending school.

Miss Harriet Fagin left last week to attend the teacher's summer school at Normal. Miss Fagin is going to teach in Rushville the coming term.

For the past two weeks Mrs. Nelson Brown and daughter, Juanita, of Hannibal, Mo., have been visiting relatives here. They were accompanied by Mrs. Brown's sister, Mrs. J. L. King and son, Donald.

Sam Dickerson has returned to St. Louis. He made a long visit with his parents in Ohio, then he came here where he visited his grandparents, Mr. and Mrs. Joseph Sargent.

Auto Painting, new tops, put on, plate glass and celluloid in curtains, by Walter Hellenenthal, at Rexroat & Deppe.

A SUCCESSFUL STOCK GROWER

Mr. and Mrs. M. W. Hamilton of the vicinity of Winchester were among the city's visitors yesterday. They were glad for the rain but only wished it had started in the morning and then they wouldn't have been obliged to go home on muddy roads.

Mr. Hamilton is one of the successful Short Horn breeders of Scott county and has followed it for a good many years. He has pretty much all the time handled pedigreed stock and says it costs no more to feed a thoroughbred than a scrub and the returns are much greater. He says for all purposes the old, reliable Short Horns are in the front rank. The cows are good milkers, the calves are large if wanted for veal, the steers make the best beef and if people will only be careful regarding breeding they will always be favorable to the Short Horns. Col. Judy used to say that no other breed could stand the careless amount of inbreeding to which the Short Horns had been subjected.

Auto Painting, new tops, put on, plate glass and celluloid in curtains, by Walter Hellenenthal, at Rexroat & Deppe.

WILL HELP ENTERTAIN CHILDREN

Already yesterday morning four responses had been received to the appeal for temporary homes for Chicago children. That is a beginning and it would seem as if there should be no trouble in securing the requisite number of homes for the little ones.

Reductions and Specials. See display ad on page 4. F. J. WADDELL & CO.

LADIES TO BE ENTERTAINED Tomorrow the members of the Ladies' Bible Class of the Christian church are to be entertained by Mrs. George Beekman at her pleasant home in Pisgah precinct and a delightful time may be anticipated.

CHURCH WEDDING AT WINCHESTER TUESDAY

Miss Lillian Lashmet Becomes Bride of John F. Sherlock of Denver, Colo.—Other News Notes from Winchester.

Winchester, June 22.—A very pretty wedding occurred at 10 o'clock Tuesday morning at St. Mark's Catholic church, when Miss Lillian Margaret Lashmet, daughter of Mr. and Mrs. N. T. Lashmet, of North Main street, became the bride of John F. Sherlock of Denver, Colo. The large auditorium of the church was filled with friends and relatives of the young people.

The bridal party entered the church to the wedding music played by Miss Nan O'Donnell, who played "Salute de Amour." Nuptial high mass was celebrated by Rev. Father C. S. Bell. The servers were Edward Lashmet, brother of the bride, and Leo Quinn. The attendants were Florence and Harry Lashmet, sister and brother of the bride.

The bride was charmingly gowned in white taffeta with georgette. Her veil was caught with orange blossoms and she carried a bouquet of Ophelia roses and smilax. The bridesmaid wore a becoming gown of white net and lace over yellow taffeta. The latter wore a large leghorn hat with trimmings in pasted shades.

Music was furnished during the mass by the choir and the solo "Oh Perfect Love" was sung by Miss Susie O'Donnell and "Ave Marie" by Miss Lillian Collins.

The church was beautifully decorated with potted ferns and pink rambler roses.

Following the ceremony the young people received the hearty congratulations of their friends. Many beautiful gifts attested the esteem in which Mr. and Mrs. Sherlock are held by their many friends.

Mrs. Sherlock spent her entire life in Winchester and graduated from the local High school. For the past two years she has held a responsible position in the Neat, Condit & Grout bank. She has won many friends by her sweet and gracious manner, treating all with uniform courtesy, and will be greatly missed in the community.

Mr. Sherlock was formerly a Winchester resident, having been reared in the home of Father Cusack, who was at one time the priest of this parish. He attended the Winchester school and it was at that time the friendship began which culminated in this marriage. He is a young man of sterling worth and holds a respectable position with Armour & Co.

After the ceremony at the church a four course breakfast was served at the bride's home, with relatives and intimate friends as the guests. The house was prettily decorated, a color scheme of pink and green being artistically carried out in the dining room.

The bride and groom left on the noon train for St. Louis en route to Morrisville, where they will attend the silver jubilee of Father Cusack. Then they will go to Chicago and afterwards to Colorado and will spend the summer in traveling before going to their home in Denver.

Among the out of town guests were Mrs. James Howard of Colorado Springs; Mr. and Mrs. Stein and two sons of Denver; Mrs. Katherine Kervin, Champaign; Harry Seward, Slater, Mo.; Mrs. P. Quigley, Misses Elizabeth and Annie Coffee, Miss Katherine Kiloran and John Robinson, Jr., all of Jacksonville; Mr. and Mrs. Edward Lashmet, Manchester, West Va.; Miss Florence Lashmet, Bluffs.

News Notes. A. T. Braden and son Lynn of White Hall arrived Tuesday to visit Miss Mattie Cox. Eugene Swank of Canton with a corps of workers has been moving the home of George Stewart to the northeast part of his lot. Mr. Stewart recently sold a portion of his lot.

Mrs. M. A. Henderson left Tuesday for a visit in Roseville.

"MISS HOBBS"

Alienating affections was her mission in life! Not that she wanted their old affections! Gracious no! She just wanted to save the poor deluded things from the horrible slavery of marriage. She was really a remarkably charming girl in almost every way. But she must have had a little quirk in her brain, for she just hated men—not any particular man, but ALL MEN. However, along came a man—a very particular man, and then—

Katherine MacDonald

The American Beauty

—IN—

"THE TURNING POINT"

From the Novel By

ROBERT W. CHAMBERS

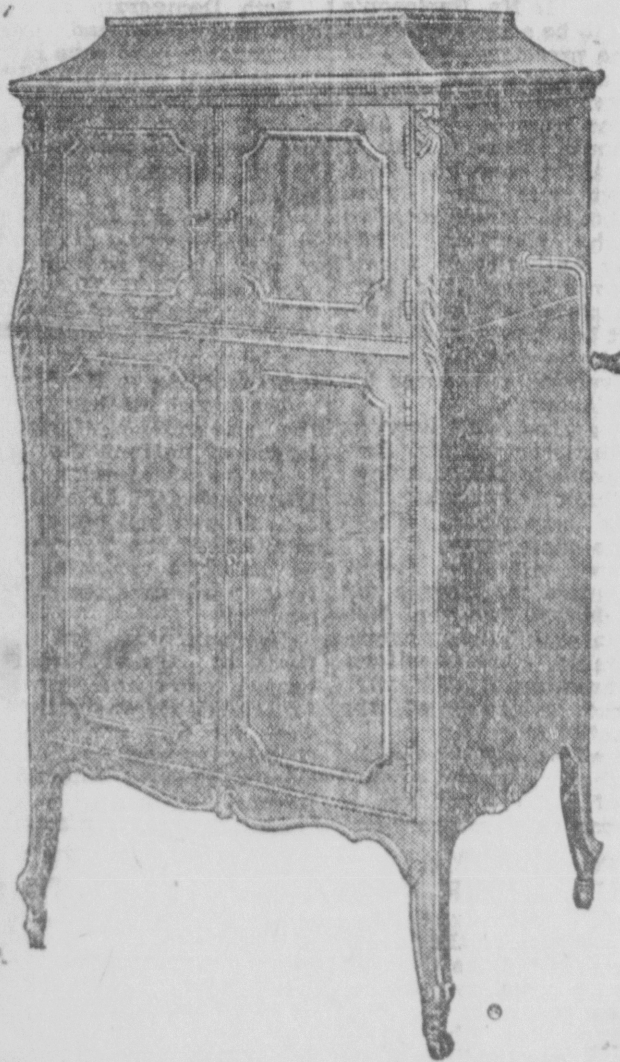

More gorgeous and enchanting than ever in role of regal beauty. Screen adaptation of great novelist's most gripping tale gives Miss MacDonald role similar to own life history—with all dramatic power which has made Chambers famous. "The Turning Point" is throbbing story of struggle made by a financially ruined society beauty to gain a living for herself and her sister and against moral ruin threatened by an old roue who desires her for her unusual charm and attractions—Diana Tennant wins against all these odds and the great American Beauty enhances the writer's famous novel.

GRAND

Hawaiian

SHOW COMING

Kulola's Hawaiians will be at the Grand Theater

Friday and Saturday

Afternoon and Night

The music lovers of this city are assured the treat of the season in the way of Hawaiian music. It is a very timely event as the country has suddenly gone mad over Hawaiian music. The Hula Hula dance is even and the languorous twang of the Ukelele is heard in all the out of door parks and all the verandas of the big summer hotels. Even Broadway has heard the call of the seductive island music, and all the important musical comedies coming this season from New York have Hawaiian numbers, so the Grand Theater feels that it is giving its patrons that which is up to the minute in a real native Hawaiian Show

GOING TO HARVEST

J. E. DeFrates and Joseph Baptist expected to start yesterday evening for Kansas intending to follow the harvest on north to Minnesota and the Dakotas and Canada. They are capable men and the farmers may expect much from them.

"COULD NOT BUY THE GOOD IT DID"

"If I Told How Much I Have Gained Taking Tanlac People Would Doubt It," She States.

Among the many hundreds who have called at the Sutcliff & Case Drug Store in the past few days to purchase Tanlac was Mrs. Stella Ray, residing at 115 Van Buren street, Chicago, Ill., whose story regarding the benefits she has derived from the use of the medicine is one of the most interesting yet published.

"To see me looking so strong and healthy now," said Mrs. Ray, "no one would think that just a few weeks ago I was scarcely more than a frame with hardly strength enough to get around. But that was the condition I was in before I began taking Tanlac. There's nothing in the world I would take for the good this medicine has done me. Actually, I am afraid if I tell how many pounds I have gained people who don't know me will doubt it. Anyway, Tanlac has built me up from just a pale, rundown and sickly looking woman to where I am today enjoying the best of health, and I am anxious to tell others about it.

"For five years or more I suffered with fearful cramping pains after every meal, and would often become so deathly sick that it was hard for me to retain the little I had eaten. I often had a bloated feeling and during these spells I was so dizzy I could hardly stand up. I seldom got up in the morning without a violent headache and feeling like it would burst. Finally my stomach got in such a bad fix that I had to go on a diet of the very lightest of foods, but this hurt me also and I lost weight until I got so thin and weak that my friends as well as myself became alarmed. I was so nervous that I could sleep but little, and many a night I would be awake suffering all night long never getting a wink of sleep.

"But it didn't seem long after I started on Tanlac until my troubles all left me and I started to get back my lost weight and strength. Such I could eat heartily, then my nervousness left me so I could sleep soundly and I began to feel perfectly splendid. I was so thin when I started taking Tanlac that my clothes were much too large for me, but now I am obliged to let them out to have them large enough. In fact, I am now feeling as strong and well as I ever was in my life. I want and need like a child, and I doubt if a person could be found who has better nerves than I have. All the praise, thanks and gratitude belongs to Tanlac and I am always looking for a chance to tell what it has done for me."

Tanlac is sold in Jacksonville by Coover & Shreve and by the leading drug store in every town.—Adv.

WINKEEWEE CAMP FIRE GIRLS GO FOR OUTING

Will Spend Week at Elsinore Cottage, Lake Matanzas—Will Be in Charge of New Guardian, Miss Ethel Cloyd.

The Winkeewee Camp Fire Girls will leave this morning for Lake Matanzas, where they will spend a week at Elsinore cottage. The girls will be in charge of their new guardian, Miss Ethel Cloyd, and Mrs. C. W. Cornick.

Those who will make the trip are: Helen Cannon, Margaret Curtis, Lucilla Riggs, Gladys Biggs, Margaret Williamson, Margaret Hopper and Ethel Cornick. The girls anticipate a pleasant outing.

YOU SHOULD WISH FOR BEAUTY AS WELL AS CLEANLINESS

Washing the face is one thing. Caring for the complexion is another—so many women think. Not necessarily. The two operations may be combined. You can wash for beauty as well as for cleanliness, by using Remmo Sterilized Toilet Soap.

This splendid new Toilet Soap is a beautifier as well as a cleanser. It cleanses the skin as it should be cleansed. The rich, velvety lather removes all accumulations from the pores of the skin, then washes out leaving the pores open and unhampered in performance of healthful functioning.

It is composed of properties that effect a decidedly beneficial influence over correction of skin defects and ailments.

It builds up skin and complexion beauty of a permanent nature. The skin soon takes on a pleasing glow of natural beauty. There is nothing mysterious or magical about it. Remmo Sterilized Toilet Soap is simply the one Toilet Soap so scientifically made it answers the purpose of both a cleanser and a beautifier. Made of finest ingredients. Then sterilized at 198 degrees Fahrenheit—a method of manufacture, and the only method, that can and does safeguard the purity of Toilet Soap.

Remmo Sterilized Toilet Soap costs no more than toilet soap that merely cleanses and often at the cost of skin beauty.

Try it. Create beauty while cleansing your skin.—Adv.

JAIL INMATES IN U. S. SHOW DECREASE

Chicago, June 22.—While the number of jail inmates has decreased 25 per cent and jail costs lowered in the country by half a million dollars since July 1, 1919, when prohibition went into effect, there is a reported increase in the number of defectives, B. G. Lewis, commissioner of institutions and agencies of New Jersey declared in an address today.

"It seems reasonable to assume," he said, "that the increase of idiots is due to the decrease of still-born children who, because of the decline in the use of alcohol by expectant mothers, are born alive, not dead, as formerly. Of course this adds to the number of helpless defectives to be cared for at public expense."

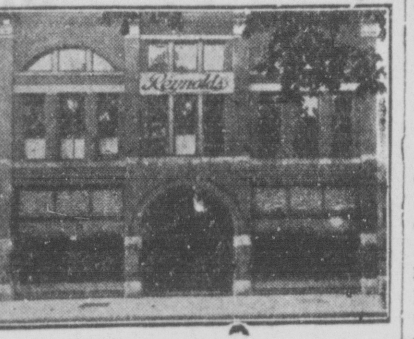

Philadelphia, June 22.—There was no apparent change in the yardmen's strike situation tonight. Strike leaders reported slight gains, but railroad officials declared these were offset by the number of men who returned to work. Freight traffic was reported greatly improved.

ELWELL MURDER STILL UNSOLVED

New York, June 22.—District Attorney Swann announced tonight he had sent for Miss Elly Hope Anderson of Minneapolis to question her in connection with his investigation of the murder of Joseph B. Elwell, wealthy turfman and whist expert. Miss Anderson was the dinner guest of Victor von Schlegel, New York business man here on the night before Elwell was slain. They met Elwell, accompanied by Miss Viola Kraus, divorced wife of von Schlegel and other friends.

ORDER PUBLIC CLINICS TO TREAT DRUG ADDICTS.

Washington, June 22.—Investigation of public clinics established to treat drug addicts was ordered today by the bureau of internal revenue to determine if they operated in accordance with the terms of the Harrison anti-narcotic act.

Establishment of additional clinics will not have the endorsement of the bureau, it was announced.

ANARCHIST LITERATURE.

Washington, June 22.—Circulars calling on American workers to refrain from participating in the coming presidential election and instead join in a general strike came into the hands of the department of justice officials today. Investigation was ordered to determine the origin. The pamphlets are signed by "the American anarchist fedratd commun sovits."

RULING ON ESTATES.

New York, 22.—Declaring that under the law not more than one half of an estate may be left to charity, counsel for the state comptroller today appealed to Surrogate Cohalan for a ruling in the case of Joseph R. Delmar, who bequeathed approximately \$17,000,000 of his \$29,000,000 estate to Columbia and Harvard universities, the New York association for improving the condition of the poor and other charities.

MINNESOTA RETURNS.

St. Paul, Minn., June 22.—Gradually overcoming the early lead established by J. A. O. Preus in the contest for the Republican gubernatorial nomination Dr. Henrik Shipstead, non-partisan league candidate, has cut down the margin separating them to 15,000 in returns available tonight from yesterday's primary. Returns from 2,215 precincts out of 3,195 gave Preus, 111,576; Shipstead, 100,049.

CLAIM RANKS HAVE INCREASED

New Haven, Conn., June 22.—Leaders of the switchmen's strike on the New York, New Haven & Hartford railroad tonight claimed their ranks had been increased. The embargo on outgoing freight remains in effect.

WOMAN CONFESSES TO MURDER

PEORIA, Ill., June 22.—The fate of Mrs. Lettie Squires, alias Madge Stokes, who is alleged to have confessed to police of killing Kenneth Lunsford, a member of the Shea-Filoski gang, this morning at an early hour, will be decided tomorrow morning by a coroner's jury.

Tim and Frank Shea, former leaders of the gang, are now in Leavenworth penitentiary. Since their imprisonment members of the gang have been fighting among themselves for the leadership, police say. Many brawls, which have attracted the attention of police, resulted. The shooting this morning occurred in the Mattie Filoski resort.

OPPOSE SURCHARGE

Washington, June 22.—Opposition to a surcharge on the railway tickets of Pullman car passengers was expressed today by the Pullman company in a petition filed with the interstate commerce commission. Railroads previously had filed a statement estimating if Pullman passengers had paid a surcharge of one half cent a mile during 1919, \$67,000,000 additional revenue would have been produced for the railroads.

QUINCY SWITCHMEN QUIT

Quincy, Ill., June 22.—Ten or a dozen switchmen employed by the Burlington here walked out at 3 o'clock this afternoon, but railroad officials claim there has been no serious interruption of business because of their strike. The defection was confined in the main to the night crews and when a large proportion of the day crews refused to obey the strike order, it lost momentum. Reports of a strike in the Hannibal yards were denied at local Burlington offices.

REACH COMPROMISE

Victoria, B. C., June 22.—"When I left Shanghai there appeared to be every prospect of a compromise being reached between the two political factions," said E. A. Nottingham, publisher of the Shanghai Times on his arrival today from China.

APPEAL TO CITIZENS

Belfast, June 22.—The Evening Telegraph issues an appeal to the citizens not to follow the example of Londonderry saying: "We would appeal to those who may be anxious for reprisals to be patient. Nothing would delight the rebel party more than to see the city turned upside down by disturbances and bloodshed."

CHARGE DISCRIMINATION IN FREIGHT RATES

Indianapolis, Ind., June 22.—Discrimination in freight rates charged Indiana shippers into the northwest as compared with those for shippers in Illinois and Missouri for the same territory was alleged today in a hearing before W. B. Pattison, examiner for the interstate commerce commission.

CHARGED WITH MURDER

Chicago, June 22.—Police today announced that a formal charge of murder would be placed against Grover C. Redding, negro, arrested in connection with the riot Sunday in which two white men were killed following a parade of "Abyssinian princes" which ended in the burning of two American flags by the negroes.

ORGANIZE FOR EAST PEOPLE'S ASSEMBLY

Washington, June 22.—One hundred and thirteen delegates met in Vladivostok Sunday and organized a Far East People's Assembly, according to advices today to the state department. Vladivostok is reported quiet.

SHRINKERS INCREASE MEMBERSHIP.

Portland, Ore., June 22.—The Ancient Arabic Order Nobles of the Mystic Shrine, made a net gain of 74,725 in membership in the last year, according to the report submitted by B. M. Rowell, imperial recorder at the annual imperial reunion which opened tonight.

\$300,000 FIRE.

Baltimore, June 22.—Fire today in a building occupied by Blumberg Brothers company and Goldheim & Sone, swept the three upper floors, causing damage estimated at \$300,000. Mrs. William Roberts was killed when a fire truck struck an automobile, throwing it on the sidewalk where she was standing.

How Spinal Defects Occur

MANY persons have asked how the spine can press the nerves and shut off the life-giving energy and cause weakness and disease in certain parts of the body. The spine protects the spinal cord through which energy passes from the brain to the network of nerves that supply every part of the body. The spine is made up of separate moveable parts that are easily displaced and are sensitive to every strain and jar.

Causes of the Fatal Pressure

In fact there are many contributory causes that lead to defective spines and they are present every day of life. Before, during and after birth the weak and tender spine is very easily affected. The manner in which a child sits at the school desk, or the position of the man or woman while at work is likely to cause defect and curvature. Strenuous games, active play, falls, blows, sudden twists, or strains from carrying or lifting heavy weights are all likely to throw the spine out of plumb. This brings about the fatal pressure upon the nerves and throbbles or obstructs the life-giving nerve currents, thus leading to disease.

CHIROPRACTIC CORRECTS SPINAL DEFECTS
It lifts the pressure from the nerves, permitting them to nourish the famished, worn out and diseased tissues and organs. With normal nerve function restored, Nature brings about Healthy conditions in the organs effected. In

CHIROPRACTIC THE BETTER WAY TO HEALTH

no drugs or surgery are needed. Acute and chronic cases are handled in Nature's own way. Most cases in young and old respond quickly to Chiropractic (KI-RO-PRAK-TIC). Learn what it can do for you.

Farm Bureau Notes

Alsike Clover—The county agent recently examined a field of alsike clover of the farm of C. A. Gibson near Pisgah, and Joe F. Berkshneider north of Franklin. Both fields promise to give good yields of seed. Alsike is gaining in favor with farmers with timothy as a hay crop. Further it seems to catch and thrive on soils when the soil is either too acid or too wet for red clover.

Seed in First Crop of Red Clover—There is considerable uncertainty about any field of clover yielding seed until it is actually harvested. Some men clip clover and specialize in raising seed, take the first crop off for hay and depend upon the second crop for seed. Drouth and grasshoppers sometimes interfere with the

profits in the latter case. This season first crop in some fields seems to have unusual amount of seeds. At least two of our Morgan county farmers have declared their intentions of cutting the first crop for seed, tacking and later hulling for seed. The results will be awaited with interest.

Iowa 103—The Iowa seed oats brought in were given careful attention by the farmers who bought them, and are very promising at this time. The county agent recently glanced over a field on William G. Richardson's farm near the Point and that field certainly look promising. A field of Early Burt may be seen adjoining the Iowa 103. This field is also good. The two fields side by side enable one to make a comparison of the characteristics of these well known varieties.

Breeders' Meet Wednesday Night—Lester A. Reed has called a meeting of the Morgan County Breeders' association at the farm bureau office for 7:30 p. m. Wednesday. This meeting will discuss the rules for the pig clubs, and also discuss plans for an auto trip. A plan for a country wide livestock survey will also be presented at this meeting.

Wool Pool—Enough wool growers have signed up for a pool to warrant a profitable shipment. This will be shipped July 1, to the warehouse at Chicago where it will be graded and stored. Altho the market is panicky at present, the men directing the pool are optimistic as to the outcome.

PARLIAMENT CONVENES.
Vladivostok, June 22.—The recently elected temporary parliament of the Far Eastern government convened June 20. Jurisdiction over all matters except those dealing with Zemstvo affairs was surrendered by the provisional government to new body.

WATERBURY QUIET.
Waterbury, Conn., June 22.—Despite nervous tension following Monday's riot in which one striker was killed and two police lieutenants seriously wounded, Waterbury was quiet today. Policemen with riot guns broke up every group of strikers or any impromptu meeting.

CANE SUGAR PRICES DROP.
San Francisco, June 22.—The price of refined cane sugar will be reduced effective tomorrow from \$23.50 per hundred weight to \$23.00 as was announced today by the California and Hawaiian sugar refinery. This is the third drop in three weeks from \$26.50.

GOV. COOLIDGE IN MAINE.
Augusta, Maine, June 22.—Governor Coolidge of Massachusetts Republic vice-presidential nominee arrived here late today arrived here late today with Mrs. Coolidge. They were the guests over-night of Governor Milliken. He will attend commencement exercises at Bates College, Lewiston, tomorrow.

SOCIALISTS IN BERLIN WIN VICTORY
Berlin, June 22.—Independent Socialists scored victory in the first election for the municipal council since the inclusion of the outer suburbs in Greater Berlin. Eighty-eight out of the 225 seats were won by Independent Socialists, while the Social Democrats elected 38 councillors. These two Socialist factions which co-operate in municipal politics, therefore will have a decisive majority.

CLAIM GOVERNMENT
POWERLESS TO ACT

LONDON, June 22.—Moving adjournment of the house of commons to call attention to the rioting in Londonderry, Lieutenant Colonel Ashley, Unionist, declared today victory rested with the assassins and that the government appeared powerless to maintain the sanctity of life. The chief secretary for Ireland and the viceroy, he said, were prisoners in their own houses; the officials of Dublin Castle were equally prisoners. The nations were pointing the finger of scorn at England's inability to maintain her authority in Ireland. He demanded martial law and more troops.

The Right Hon. Denison Henry, attorney general for Ireland, replying said the authorities in Ireland had been given fullest authority to call for whatever was necessary and to adopt measures considered desirable, and the police and troops had been given the utmost initiative, their instructions being to behave precisely as on the battlefield. He regarded the situation in Dublin as worse than in Londonderry.

W. F. Motter of Springfield was transacting business in the city Tuesday.

Prest-O-Lite SERVICE

"Your Shield of Defense"

Prest-O-Lite Service Prevents Costly Repair Bills. Your storage battery should be tested regularly. Perhaps it needs repairing—who can tell? There's one sure way to find out.

INQUEST IN DEATH OF JACOB WITWER

Owing to No Physician Being in Attendance Inquest Necessary to Issue Certificate of Death—Coroner Rose Held Inquest Tuesday

Owing to the fact that no physician had been attending Jacob Witwer who died Monday evening, it was necessary to hold an inquest in order that a certificate of death could be issued.

Coroner Rose empaneled the following jury: J. L. Tayman, foreman; Harold A. McDougall, Henry Scott, Louis Mastopietro, Ira Patterson and P. R. Briggs, clerk.

The jury heard the testimony of Dr. E. D. Canatsey, F. W. Witwer and Charles Witwer. Dr. Canatsey told of being called to see the deceased March 3, 1920 when he suffered a stroke of apoplexy. Dr. Canatsey told of sending him medicine several times but had not seen him since March 4.

Dr. Canatsey said Mr. Witwer in addition to the stroke of apoplexy was suffering from arterio sclerosis and mitral regurgitation. He gave as his opinion that death resulted from mitral regurgitation. After hearing the evidence the jury returned a verdict in accordance with the facts as brought out.

Funerals

Green

A large company of friends and relatives gathered Tuesday afternoon at 3:30 o'clock for the funeral of Virginia Green, little daughter of James Green. The service was in charge of Rev. M. L. Pontius, pastor of Central Christian church. The minister referred to the fact that within about a year's time this was the third funeral that he had held in the Green home. He took occasion to comment upon the fortitude and strength shown by the members of the family in their times of sorrow.

Mr. Pontius took as his text the sentence from the old testament, "Is it well with the child?" While the inquiry was made referring to the physical well-being of a child, the minister applied it also to the spiritual well-being of little Virginia. There could be only one answer, for her life came to a close before the period of responsibility and she had the advantage of childhood training in a Christian home.

Music was furnished by a quartet, including Mrs. Mae Hitt, Miss Cora Graham, C. L. Mathis and W. W. Gilliam, who sang three hymns. There were many beautiful flowers and they were cared for by Misses Vivian Pires, Margaret Sally, Ruth Fuller and Mignon Hirsch.

When the house service had been concluded the cortege moved to Jacksonville cemetery, where the body was laid to rest. Mr. Pontius read the committal service and offered a prayer. The bearers were Harold Hall, Ernest LaBoiteaux, Louis Leurig and Paul Bolman.

With the Sick

Oscar Decker of Concord, became a patient at Passavant hospital yesterday.

Mrs. T. B. Dudgeon of Meredosia became a patient at Passavant hospital Tuesday.

Mrs. J. W. Phalen of Pleasant Hill returned to her home Monday from Passavant hospital.

Miss Alice Ross left Monday for Champaign to attend the State University summer course.

GIRLS—To wait on tables at the American Garden. Apply Chas. DeSilva, 307 West State St. 6-23-11.

Deaths

Watts

Word was received yesterday by Miss Sallie M. Stacy of this city of the death of her uncle, Albert B. Watts. He died at his home in Farmingdale, Illinois, early Tuesday morning.

The deceased was born in Farmingdale October 23, 1841 and was united in marriage November 19, 1867, with Amelia Duston. Surviving him are his widow and eight children.

Funeral services will be held at the residence in Farmingdale at 2:30 o'clock Thursday, June 24.

Woodman.

Mrs. U. G. Woodman has received word of the death of her husband's mother, Mrs. Elizabeth Woodman, who died recently at the home of her daughter, Rea, in Poughkeepsie, N. Y.

Mrs. Woodman was the wife of the late William Clayton Woodman, for years identified with this city. He had a fine dry goods store in the room now occupied by the Gilbert drug store on the corner of the square and South Main street. He lived at first in a story and a half brick house on the southwest corner of Church street and West College avenue. When the county poorhouse was removed from the east part of East State street Mr. Woodman bought the property and fixed it up in fine shape but lived in it only a short time deciding to go west which he did landing in Wichita before the days of railroads there.

He did a large banking and real estate business and accumulated a large fortune. He died many years ago. Elderly residents will remember the family very well. William, the oldest, married Miss Ella Carver. He was an artist of superior ability and the writer well remembers the choice paintings which adorned the store and residence of the Woodmans.

One son married Miss Catherine Yates, who died many years ago. She was the daughter of the late Governor Richard Yates, Sr.

Wallace W. Woodman was another prominent young gentleman of this place and the older daughter, Miss Anna, was a popular young lady in Jacksonville society. She married a gentleman named Old, of Philadelphia.

Mrs. Woodman was a lady of superior character in every way. She was cultivated and refined and at the same time had much strength of mind and fine ability. She was widely known in Kansas and Senator Muddock wrote for the Wichita Eagle a highly complimentary article regarding her.

There were eleven children in the family but all are dead except the daughter with whom Mrs. Woodman lived.

The remains will be taken to Wichita, Kan., for burial and Mrs. U. G. Woodman of this city expected to go last night with her daughter, Ella, to join the funeral party at Kansas City.

The members of W. C. Woodman's were Edward, affectionately known as "Uncle Eddie," who resided in the house now occupied by Dr. Bove on West State street; Mrs. J. C. Carver, later Mrs. L. K. Clendenon of this city; Mrs. Jesse Carver of Bluffs and Mrs. William Hahn of Philadelphia. All have gone to their reward.

CONCORD

The Ladies' Aid of the Concord Christian church will give an ice cream social Saturday afternoon and evening, June 26th, at their building. All are cordially invited to attend.

GOING WEST

B. D. Davis, wife and two children passed thru the city early yesterday morning in their Ford car returning to their home in Wichita, Kansas after a visit with friends in Decatur. They said they encountered some very bad roads in the vicinity of New Berlin where there had been a heavy rain. Once the car skidded and turned over but fortunately no one was hurt and assistance enabled them to right the car and come to Jacksonville under their own power. They were provided with camping outfit and were in good spirits.

Lost:—Between Waverly and Jacksonville, an auto casing on rim, blown up; Kelley-Springfield make, 36 x 4 1/2, Cord tire, brand new. Reward for return or information to W. R. Turnbull, Waverly, Ill.

Robert Allen of Riggsdon vicinity visited the city yesterday. George Beckman and little grandson were up to the city from Pisgah yesterday.

"MAPLE DALE" IS NOW OWNED BY C. N. PRIEST

Purchase Country Place West of City From A. L. Dorsey—Suggests It Would Make Good Country Club—Mr. Dorsey Will Farm Near Versailles.

C. N. Priest became the owner of one of the beautiful historic homes in Morgan county yesterday when he bought "Maple Dale" from A. L. Dorsey.

"Maple Dale" is located on the Mound road about a quarter of a mile west of the end of the car line. The place is widely known in this part of the state being originally a part of the John Potts farm of 217 acres. Mr. Potts was one of the early breeders of pure bred cattle in the middle west and he was always one of the prominent exhibitors at the Morgan county fair and also at other fairs held thruout the state. The fair ground was a part of the original Potts farm.

The place passed thru the hands of John Spencer to W. S. Jones who modernized the house and made improvements, he sold off forty acres on the west side of the farm to a St. Louis firm which opened an addition and he himself opened an addition on the east side, on which many of the residence on the Mound road now stand.

"Maple Dale" then passed into the possession of Joseph Yingling who made it his home until his death. About two years ago Mrs. Yingling sold it to A. L. Dorsey who is a breeder of fine stock and has made a specialty of Poland China hogs. Mr. Dorsey has found "Maple Dale" too small for his needs and will transfer his business to Brown county near Versailles where he owns 802 acres of land.

Mr. Priest does not expect to make "Maple Dale" his home, he bought the place as an investment and suggests that it would make an ideal country club. The house is a substantial brick structure with a wide veranda on the south and east sides, it is equipped with a private water system, and an acetylene lighting plant, and stands in a grove of hard maples. The place consists of eight acres.

Social Events

Birthday Surprise For Mrs. Surratt

Mrs. Osie Surratt was given a very pleasant surprise Sunday, the event being her birthday. She was invited to drive to the park with some friends, and upon arrival found a large number of her relatives and friends gathered there. All had well filled baskets with them and at the noon hour the good things were spread upon the grass. This feature of the day was one which all enjoyed to the utmost. The afternoon hours were delightfully spent in a social way. All departed late in the afternoon with the best of wishes for Mrs. Surratt.

The company included Mr. and Mrs. Surratt and children, Mr. and Mrs. Charles Nunes, Mrs. Lizzie Ornellas, Mr. and Mrs. Arthur Ornellas and family.

Orelans Country Club In Annual Picnic

Members of the Orelans Country club held their annual picnic Tuesday at the home of Mrs. W. H. Hinrichsen in Alexander. It had been planned to have an outdoor affair but the weather made it advisable to confine the merry making to the house. There were about sixty in the company and the whole day was one which will long remain as a pleasant memory to those present.

The house had been prettily decorated for the picnic, flowers and foliage being used with fine effect in the various rooms. A number of contests were included in the program and proved very entertaining. The first was a descriptive contest, the winners, Mrs. Charles Strawn and Mrs. Zelar, leading in the grand march which followed.

Following the musical contest all the members of the company were invited to the dining room, where lunch was served in cafeteria style.

All the good things of eat customary on such an occasion were in evidence in great abundance and this part of the day's program was greatly enjoyed.

There were various contests in the afternoon, Mrs. Charles Strawn and Miss Alice Devlin winning the prizes in the guessing contest. In the drawing contest Mrs. Charles Davis was awarded the prize while in the "barnyard chorus" the hostess, Mrs. W. H. Hinrichsen, was the winner.

Included in the guest list were a number of the members of the Strawn's Crossing Country club and the Sinclair Country club.

The arrangements were in charge of the domestic committee, including Mrs. Harry Rice, chairman; Mrs. Margaret Walters and Mrs. Helen Drury; and the program committee, Mrs. A. A. Curry, chairman; Mrs. Carrie Moeller and Mrs. Julia Little.

A. L. Mayer, district superintendent of the State Y. M. C. A. and Boyd I. Walker, state boys' work secretary of the Y. M. C. A., were in the city yesterday conferring with Secretary Findley.

ALEXANDER RESIDENTS GO TO NAPLES FOR OUTING

Dr. and Mrs. Wade H. Schott and family and Mr. and Mrs. K. V. Beerun and family, all of Alexander, drove to Naples Tuesday for an outing, expecting to be away the rest of the week.

REAL ESTATE OPPORTUNITIES

Had you bought land ten years ago you would now be rich. Ten years is not a life time, there are ten and more years ahead of you. Lands are constantly advancing, and offers you the same opportunity in the next five years and even more so, for the advance will be greater.

More large fortunes are made from the advance of real estate than from all other sources combined. Land is the first possession for which men strive, because it is the highest type of security known in the world. It will produce. Labor expended on it brings returns. It is the source of all wealth. It offers now, as in the past the most profitable field of investment. Don't you want a home? Come in and talk it over with us.

Mrs. Lucy Thompson left for St. Louis Sunday where she will make her home with her daughter Mrs. Flora Eagan.

Floyd Lashmet of Detroit, Mich. visited last week at the home of his parents, Mr. and Mrs. E. A. Lashmet.

Mrs. Ray Krebaum and daughter, Johanna, formerly of Virden, joined Mr. Krebaum Friday and are now occupying rooms in the residence of Mrs. Virginia Hughes. Misses Lucile Antrobus and Susie Windsor were Springfield visitors Monday.

Mr. and Mrs. R. C. Curtis, Mrs. R. H. Walton and Mrs. W. C. Pearce spent Sunday at the home of R. B. Meek, near Carrollton. W. S. Ehrie and brother of Jacksonville are preparing to open an ice cream parlor soon in the Watt building on the west side of the square. The building has been remodeled and is in good condition. The business will be in charge of Misses Edna and Martha Albert.

Miss Ruby Dean went to Waverly Monday for a visit with Miss Lucy Laws.

Mr. and Mrs. Charles Deatherage of Waverly spent Sunday at the home of Mrs. S. A. Wilson.

Mrs. Guy Brown was called to Winchester, Monday by the illness of Mrs. William Taylor.

Auto Painting, new tops put on, plate glass and celluloid in curtains, by Walter Henthall, at Rexroat & Deppe.

PLEASANT GROVE.

Mr. and Mrs. Fletcher Seymour were Sunday guests of Mr. and Mrs. Ernest Henry.

Mrs. James Allen of Lynnville and sister, Mrs. Mary Slaughter of Jacksonville visited two days last week with the former's daughter, Mrs. Elsie Million. George Sooy has rented his farm for the coming year to Frank Short of the Zion neighborhood.

Clifton Fanning spent Sunday afternoon with the Million boys. Mr. and Mrs. T. N. Bush and daughter, Marie, of Jacksonville, and Hazel and Helen Blakeman of Murrayville were callers at Ernest Henry's Sunday afternoon.

Mr. and Mrs. Warren Fanning and children were shoppers in Jacksonville Friday afternoon.

Mrs. Herbert Riggs and daughter, Iva, were callers at Ernest Millions' Friday.

LITERBERRY CHURCH

MARKET A SUCCESS

Women of M. E. Church Well Pleased with Success of Market Held Saturday—Family Reunion at Literberry Home—Other Literberry News.

Literberry, June 21.—The market on West State street, managed by the Literberry M. E. Society last Saturday afternoon, was a success. The fine edibles were snapped up in a short time, bringing good prices; the only trouble was that there was not more on the market.

The three year old daughter of Mr. and Mrs. Charles Mullens, who broke her arm a few months ago, has broken it over again last week, making the fourth time she has had it broken since at first. Mr. Mullens has completely screened a porch as a play room for the little miss, and she is kept to avoid any more accidents. In this little prison porch, there are dolls and all kinds of pretty things with a sandpile and shovels and tin-cups in one corner, for the amusement of the little girl.

Mr. and Mrs. Jesse Litter held a family reunion Friday night in honor of Albert Litter of Kansas City, a nephew who has been visiting in Literberry for a week. Mr. Litter returned to K. C. Saturday. Those present on Friday night were John Daniels and family, W. W. Young and family, Alphonso Ratliff and family, and J. M. Litter of Shady Lawn.

We had a splendid report from our delegates and superintendent on Sunday morning at the Baptist church, of the good convention that was held at Jacksonville last week. C. A. Beavers gave us a good report, and pictured the speakers and what they said so plainly to us, that we were glad we chose him to bring us the good things that some of us were not able to go and hear.

Mrs. Guy followed with an inspiring talk on the work, asking for more cooperation on the part of the teachers, closing her remarks by requesting the Sunday school teachers to meet with her on Thursday evening at the Baptist church in a prayer service for our school.

Mr. and Mrs. Ora Collins entertained company on Sunday from Nilwood and Alexander, sisters of Mrs. Collins and their husbands and children.

The Mission Circle will meet on Friday afternoon at "Chestnut Hill Farm" with Mrs. Warren Daniels. It is requested that all persons who have books from the Circle library will bring them on that day, so a count can be made of the number of books read up to date, of both old and new books.

Alden Earl Hexroat of "The Maples" is on the sick list.

CHAPIN HOUSEHOLD SCIENCE CLUB MEETS

Mrs. W. H. Anderson Entertains Members of Club—Miss Edna Hutchins Returns from Oklahoma—Other News Notes from Chapin.

Chapin, June 21.—Mrs. W. W. Anderson was hostess to the Household Science club on Friday afternoon, June 18, with 17 members and three guests present.

After the club song "Illinois" the roll call was responded to by namings to the observed in order to have good health. The minutes were read and approved followed by a business meeting. Mrs. Fred Craven then read a paper on "Importance of Proper Diet in Disease," which furnished the material for the discussion.

Miss Ione Coltas rendered a group of piano solos, and Miss Edna Hutchins a group of vocal solos. Miss Helena Markham, also gave several piano solos. During the social hour which followed the hostess served delicious refreshments.

The next meeting will be held July 7, with Mrs. Ellen Coultas. Word was received Sunday morning of the death of Fannie Watkins of Petersburg, niece of John Onken. John Onken and Miss Amy Onken and Mrs. Frank Burnham were called there Friday evening and Mr. and Mrs. Harry Onken went Saturday morning.

Z. Fox and family motored to Petersburg Sunday evening to attend the funeral of Fannie Watkins to be held on Monday afternoon.

Mr. and Mrs. Joe Baldwin visited relatives in Winchester Sunday.

CHAPIN MINISTER AND WIFE LEAVE FOR WEST

Rev. C. G. Cantrell and Wife Leave for Four Weeks' Visit in Portland, Ore.—C. M. Cantrell Graduates from Iowa University.

Chapin, June 21.—Minister C. G. Cantrell of Chapin desired to be present when his son, C. M. Cantrell graduated at the Iowa State University at Iowa City, so he took his "trusty Ford" and started on Friday the 11th at 6:10 a. m. He arrived at Rock Island at 2:40 p. m., Iowa City, Iowa, at 7:15 after staying forty minutes in Davenport. The next day he and his son went by auto to Mason City, Iowa, to visit a married daughter, Mrs. M. O. Crawford, who has a new grandson to delight the eyes of Grandpa Cantrell. Mr. Cantrell and son attended church on Sunday, then returned to Iowa City on Monday. On Tuesday, Miles C. graduated from the university and received his degree. He then received the third degree in Masonry, Mr. Cantrell being present. He said the work was given in a splendid manner. Mr. Cantrell returned on Wednesday and attended the state convention at Jacksonville.

On Monday, the 21st, Mr. and Mrs. Cantrell will leave for Portland, Oregon for a four weeks' visit to the eldest son, Guy L. Cantrell and family. Minister Cantrell is pastor of the Chapin Christian church and is taking his summer vacation on this trip to Oregon. He is some hustler for a man of his age, but he is "young" yet and no doubt has many years of work in the Master's vineyard ahead of him. The Journal and a large circle of friends wish Mr. and Mrs. Cantrell a safe and happy journey to the far west and return.

Notice of Application to Increase Rates
To Patrons of the Jacksonville Railway & Light Company:
The Jacksonville Railway & Light Company hereby gives notice to the public that it has filed with the State Public Utilities Commission of Illinois an application for permission to increase the rates for gas in the City of Jacksonville and in the Village of South Jacksonville, County of Morgan, Illinois. All parties interested in this proceeding may obtain information as to time and place of hearing upon this application by addressing the Secretary of State Public Utilities Commission.

Jacksonville Railway & Light Company.

READ THE JOURNAL WANT ADS FOR BEST RESULTS

With acknowledgments to K. C. B.

He was a poor actor but he got by!

THE OTHER day,
I WAS in a cigar store.
AND A man came in.
TO BUY cigarettes.
AND HE had a cold.
AND WAS so hoarse.
HE COULDN'T make.
THE CLERK understand.
JUST WHAT he wanted.
AND HE got madder.
EVERY TIME.
HE DREW a brand.
HE DIDN'T want.
HE POUNDED the case.
AND TRIED to talk.
BUT HE only wheezed.
AND HE made signs.
WITH HIS fingers.
BUT THEY didn't get over.
AND FINALLY,
HE THOUGHT he'd try.
TO ACT it out.
AND HE closed his eyes.
AND MADE his face.
SERENE and calm.
AND SMILED and looked.
ABSOLUTELY CONTENTED.
AND THE clerk said.
"I GOT you, Steve!"
AND HANDED him.
A PACKAGE of.
THOSE CIGARETTES.
THAT SATISFY.

SATISFY? You said it! Those fine Turkish and Domestic tobaccos and that can't-be-copied Chesterfield blend s-a-t-i-s-f-y with every puff!

And the moisture-proof, glassine-wrapped special package keeps 'em the way you want 'em—fine, full-flavored, firm and fresh—always!

They Satisfy **Chesterfield** CIGARETTES

What Is Nuxated Iron?

Physician Explains—Says Public Ought To Know What They Are Taking—Practical Advice on What To Do To Build Up Your Strength, Power and Endurance and Increase the Red Blood Corpuscles.

The fact that Nuxated Iron is today being used by over three million people annually and that so many physicians are recommending it as a tonic, strength and blood builder in weak, nervous, run-down conditions has led to an investigation of the reports made by Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outsiders Dept.), New York, and Westchester County Hospital, who says: "When one patient after another began asking my opinion of Nuxated Iron, I resolved to go thoroughly into the subject and find out for myself whether or not it possessed the real value claimed by its manufacturers and advertised to by so many prominent people. This is exactly what I believe every honest, conscientious physician should do before prescribing or lending his endorsement to any product whatsoever. If an article is worthless we practitioners ought to be the first to know of it and if it is efficacious we are in duty bound to recommend it for the welfare of our patients. A study of the composition of the Nuxated Iron formula so impressed me with the therapeutic efficacy of the product that I immediately tested it in a number of obstinate cases. So quickly did it increase the strength, energy and endurance of the patients to whom it was administered that I became firmly convinced of its remarkable value as a tonic and blood builder. I have since taken it myself with excellent results. There are thousands of delicate, nervous, run-down folk who need just such a preparation as this but do not know what to take. I will spread publication of the sworn statement of the composition of its formula so that the public may know what they are taking. This complete formula is now to be found in newspapers throughout the country. It is composed principally of organic iron in the form of iron peptonate, a special scientific standard and glycerophosphates which are of the most easily assimilated ingredients known. To the credit of the manufacturer it may be said that they use the most expensive form of iron peptonate, where by employing other makes they could have put the same quantity of actual iron in a tablet at less than one-fourth the cost. By using metallic iron they could have saved the cost to less than one-twelfth, but by thus cheapening the product they would undoubtedly have impaired its therapeutic efficacy. In my opinion a careful examination of this formula by any physician or pharmacist should convince him that Nuxated Iron is to be placed among the very highest class and most strictly ethical preparations known to medical science. It contains anything I have ever used for building up the system and increasing the red blood corpuscles thereby enriching and fortifying the blood against the ravages of disease."

FORMER STUDENT IS MARRIED IN NEW YORK

Mrs. Elmer E. Black Marries Major Elliott—Bride Formerly Madeline Powell, and Graduated From Female Academy.

The New York Times of June 19, contains a half column article announcing the marriage of Mrs. Elmer E. Black and Major Howard Elliott. Mrs. Black is well known in Jacksonville. Her maiden name was Madeline Powell, and she was graduated from the Jacksonville Female academy in '91 in the class with Mrs. L. S. Doane, Miss Georgia M. Fairbanks and others. In recent years Mrs. Black has been residing in the Waldorf Astoria, having given up her beautiful home on Fifth avenue a few years after the death of her husband. About five or six years ago Mrs. Black delivered the address at the reunion of the academy at the Waldorf Astoria. The wedding ceremony took place in the historical John Elliott church in South Natic, Mass. On the day preceding the wedding Mrs. Black's daughter, Dorothy Powell Black, was graduated from Wellesley college. The Times article explains that Major Elliott has been prominently connected with the United States government in various capacities. During the administration of President Roosevelt, he represented the United States in Mexico in charge of customs. He is a veteran of the Twenty-third Regt., N. G. N. Y., and served during the war as director of finances of the signal corps. He is now president of the Universal Bond and Share corporation of New York.

Grub-Staking Society

MORE power is required to plow the fields of America than is used in all its factories.

In view of the decrease of man-power on the farms, the importance of motor-power is demonstrated easily. With hand-labor the time required to produce a bushel of wheat was a little over three hours. With improved machinery this has been reduced to ten minutes. Power machinery has multiplied the power of man eighteen times.

The gasoline engine is the only power unit embracing all requirements for farm work.

It looks as though it is up to gasoline to grub-stake society.

For years hand-labor has been leaving the farms and motor-power has been taking its place.

Long ago the Standard Oil Company (Indiana) realized that if America was to maintain its bounteous crop production there must be close cooperation between the Company and the farmer; therefore, the Company proceeded to build up through the farm districts of the Middle West the most complete system of distribution of oil products in the world.

This delivery system with its 3,780 bulk stations, its 7,000 motor trucks and tank wagons, its 1,300 Service Stations, and its personnel of 10,000 trained men, could not be built up in a month or in a year. It is the result of long and patient effort.

This immense system for the production and distribution of gasoline and other petroleum products is complete, installed and in full operation now, when it is needed as never before.

LUCKY STRIKE

CIGARETTE

IT'S like this. Flavor is the thing that makes your cigarette enjoyable.

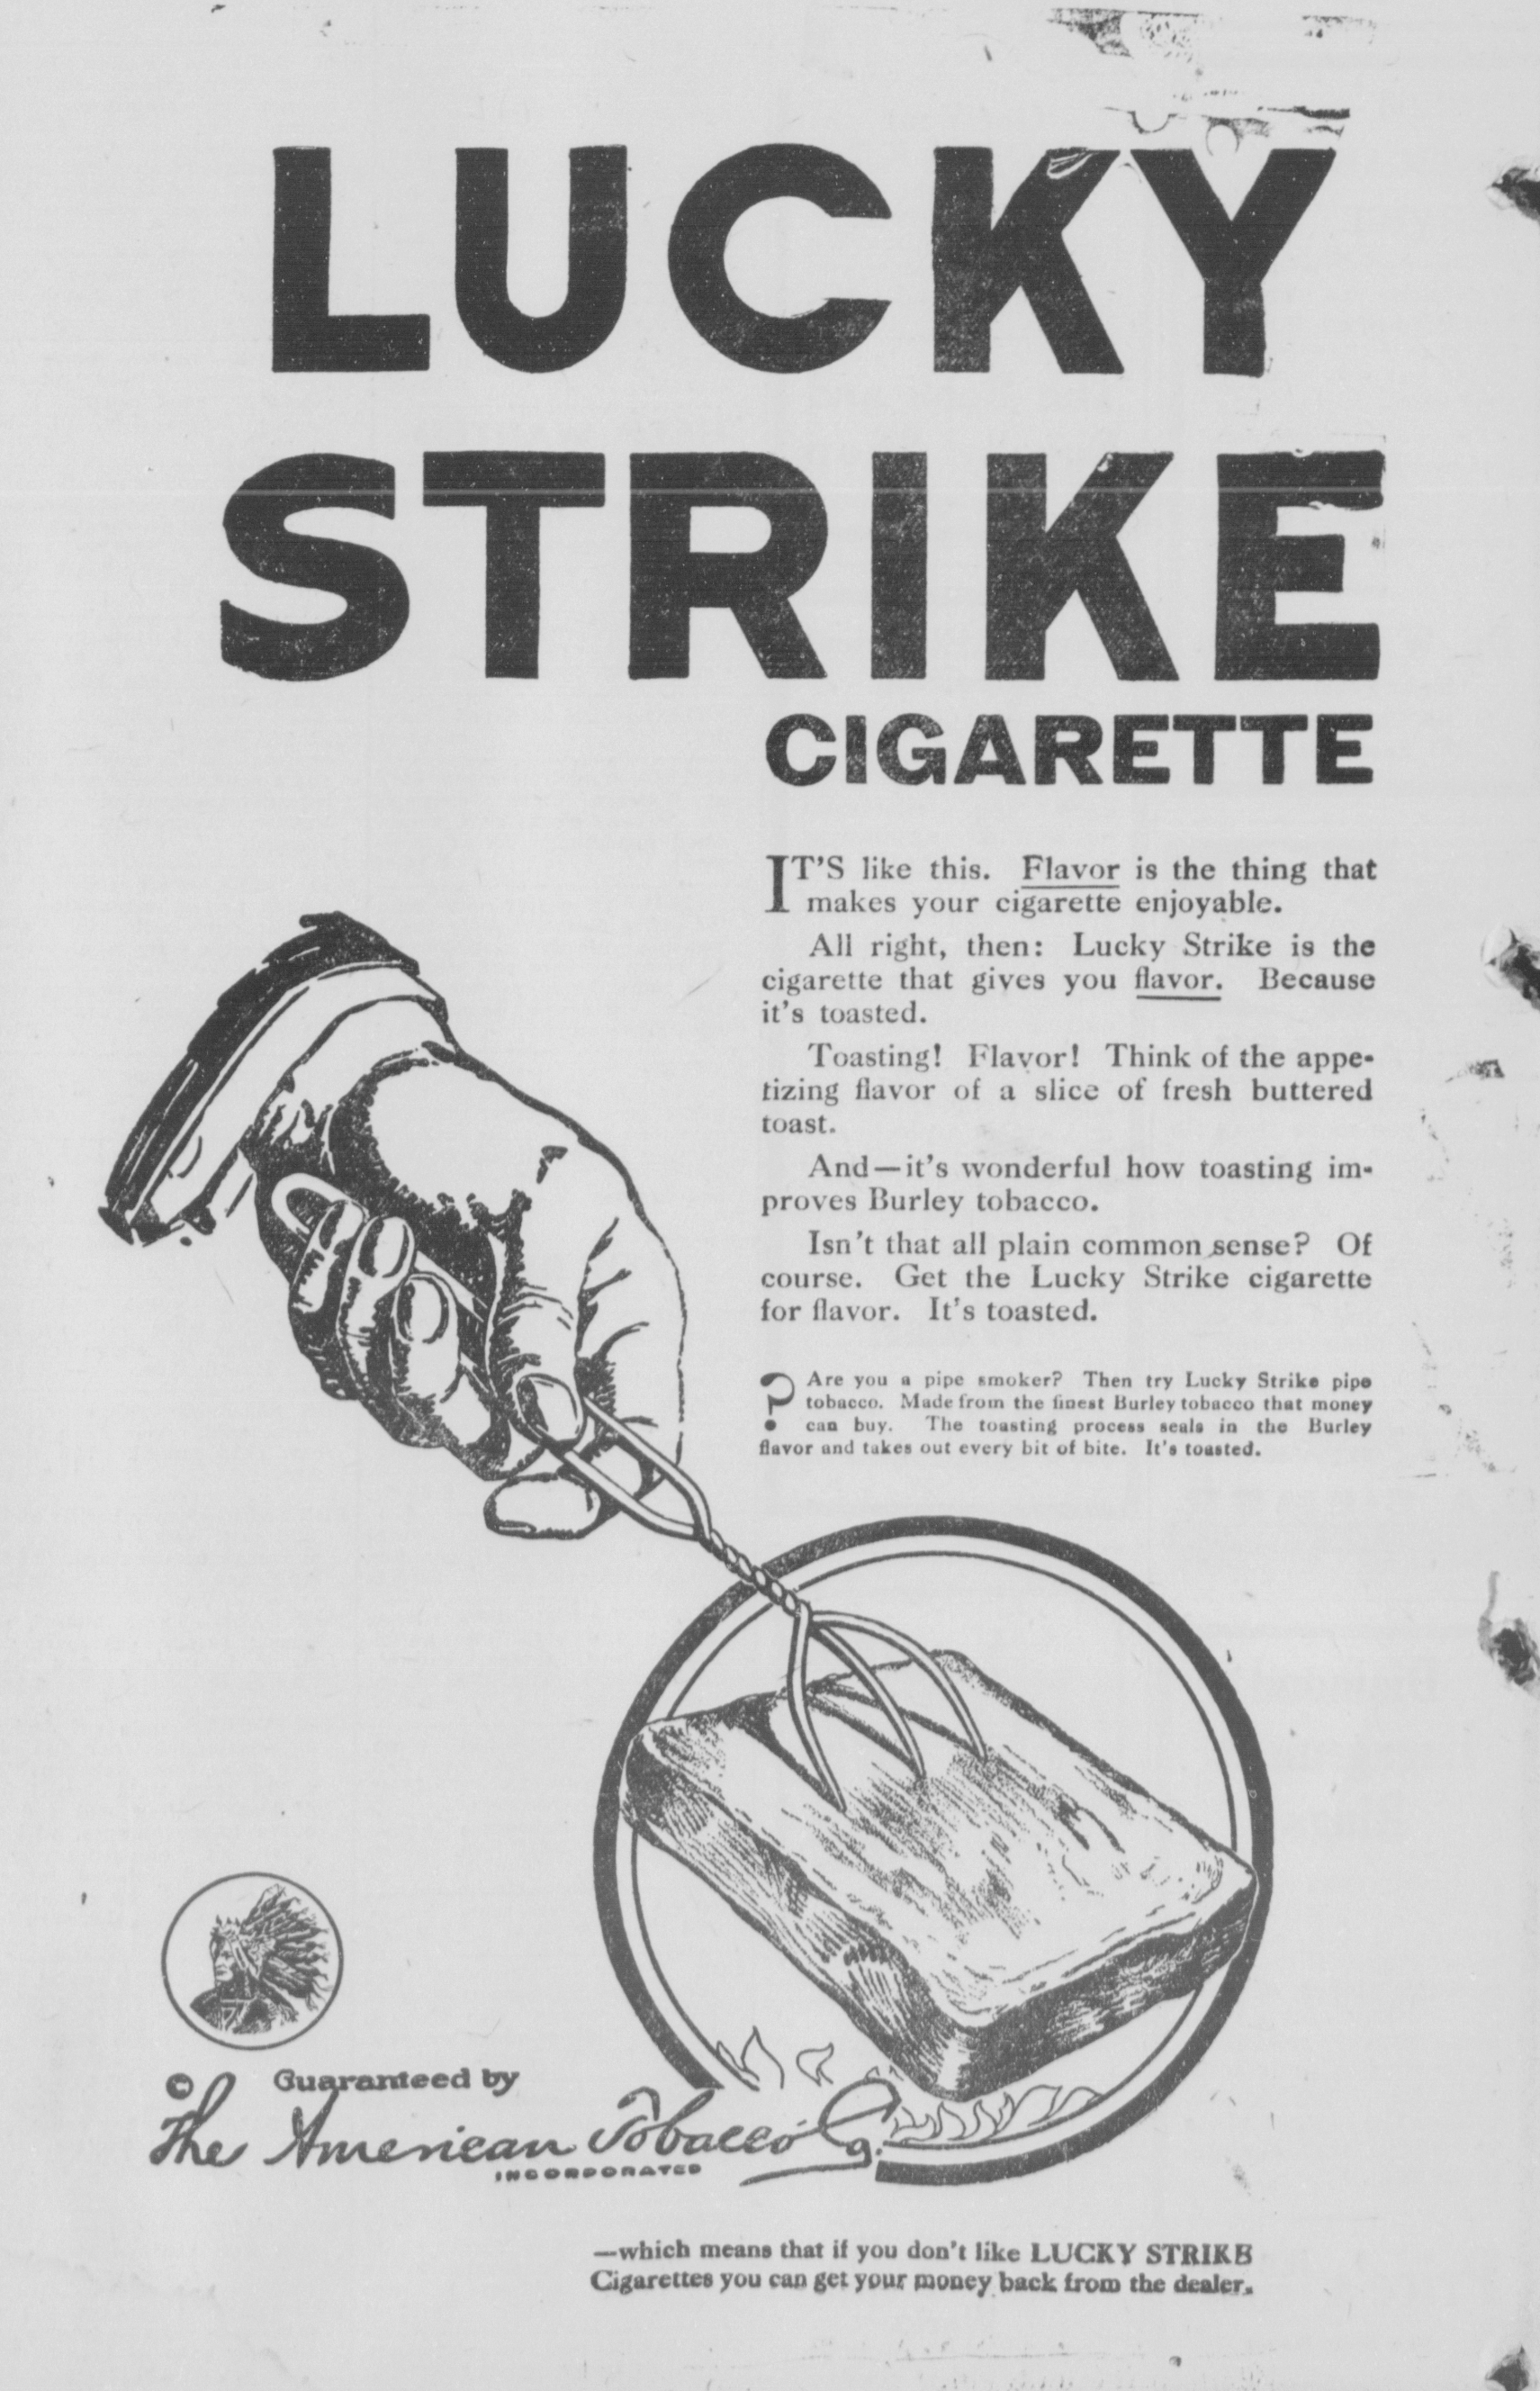

All right, then: Lucky Strike is the cigarette that gives you flavor. Because it's toasted.

Toasting! Flavor! Think of the appetizing flavor of a slice of fresh buttered toast.

And—it's wonderful how toasting improves Burley tobacco.

Isn't that all plain common sense? Of course. Get the Lucky Strike cigarette for flavor. It's toasted.

Are you a pipe smoker? Then try Lucky Strike pipe tobacco. Made from the finest Burley tobacco that money can buy. The toasting process seals in the Burley flavor and takes out every bit of bite. It's toasted.

Guaranteed by
The American Tobacco Co.
INCORPORATED

—which means that if you don't like LUCKY STRIKE Cigarettes you can get your money back from the dealer.
